We appreciate all you're doing, it's definitely tough out there for our officers.

As to this issue, yes that letter of support is still needed to move forward on this parking issue.

Lisa,

I apologize for the late response, as you can imagine we have a lot going with the climate around the nation. Did anyone in the office help you out with the letter? Do you still need my help with this?

Dear SLO Guerra:

I am working on a parking petition on behalf of property/tenants for Waring between Cahuenga and Lillian Way **to place parking restrictions on both sides of the street to:**

**Tow Away No Parking 2am to 6am, 7 days a week**

Currently the only parking restriction is for street sweeping on Tuesdays from 12-3pm. I have attached a draft letter for the Captain's consideration. I am hoping that the Hollywood Media District will be able to have the Captain's support with the proposed restriction. All adjoining tenants and owners are in full agreement with the proposed restriction changes.

Please let me know if you are able to obtain a Letter of Support as it is one of the

requirements for the Parking Petition submittal.

Any questions please feel free to call or email me direct.

Thank you in advance for your assistance.
